The twenty-second thing to do is to get the instrument into the right position.

The twenty-third thing to do is to get the instrument into the right position.

The twenty-fourth thing to do is to get the instrument into the right position.

Jackie tries to talk to the cool kids after they have finished making fun of the quiet kid. The cool kids just laugh at her and make fun of her even worse than they did with the quiet kid.

The other kids see this and don't want anything to do with her. Jackie is so embarrassed and wishes she had never spoken to the cool kids.

Jackie can't decide who she wants to talk to the tweeters or the quiet kid that was being picked on? Who should Jackie talk to?
